## **City of Riverside Now Accepting Applications for Arts & Culture Grants**

RIVERSIDE, Calif. – The City of Riverside is now accepting applications for the Arts & Culture Grant Program for eligible arts and cultural non-profit organizations within the community.

Allocations include \$291,369 for the 2022-2023 fiscal year and \$294,283 for the 2023-2024 fiscal year. Eligible non-profits may apply for funding from 10 percent to 20 percent of their annual income levels according to the guidelines for the 2022-2024 funding cycle.

“By providing two funding cycles, the City of Riverside is proving its commitment to maintaining an environment where non-profits have access to funding,” Mayor Patricia Lock Dawson said. “The Arts and Culture Grant supports non-profits to continue their important work. Non-profits that specialize in arts and culture are the lifeblood of our city through the community events they host and the educational programming they administer.”

The Arts & Culture Grant Program offers general operating support to established City of Riverside artistic and cultural non-profit organizations that have developed a broad range of programming. To be eligible, non-profits should contribute substantially to the cultural life of the community.
